

VALENTI

Macassar Ebony Wood Veneer Arms

FORTRESS SEATING

OFF BROADWAY HOME THEATER SEATING

Valenti (*sturdy*)

Originally designed for the home cinema, Valenti has found its way into other rooms within the home.

The geometric back and arm detail adds an intriguing element and with the combination of supple leathers and rich wood veneers, like this exotic Zebrawood from West Africa, the result is stunning and comfortable seating.

Designed exclusively for Fortress by Sheba Kwan.
